# WELCOME TO LOGAN COUNTY!

## WHAT'S NEW?

This is probably a question you ask your friends and family, particularly those you haven't seen in a while. It's a favorite question of mine when I'm visiting Chamber member businesses as an all-encompassing way to catch up on the latest in their day-to-day operations.

We all like to admire progress - and there is so much progress being made throughout Logan County. Whether you're counting the number of new businesses being created, calculating the economic impact of new development throughout the county, or tallying the new services being provided by our community organizations, it's truly impressive to see this progress unfold.

There's plenty of newness at the Chamber, too! To start, we've brought back almost all of our programs and events in person. We invite you to join us for a Pursuit of Excellence business workshop or one of our First Thursday Coffee Hour networking events this year. For a full list of our events, check out our calendar at [logancountyohio.com](http://logancountyohio.com). We've increased our collaboration and partnership

with area organizations like the Central Ohio Better Business Bureau and Cultivate Columbus to offer exceptional programming and member support. And we're looking forward to launching several new initiatives - everything from

member focus groups to new Young Professionals projects.

I encourage you to take a look around you this year and appreciate all that's new in our community. We're highlighting a few efforts in our "New in '22" articles throughout this guide and there are so many more stories and projects to uncover. Logan County has achieved so many great things and has even more in store for the future!

## QUESTION & ANSWER

NEW IN '22

### CITIZENS FEDERAL SAVINGS AND LOAN

#### NEW LOCATION

WITH KYLE BRUNNER,  
*Marketing Director at Citizens Federal Savings & Loan*

**Q. WHEN DID CITIZENS FEDERAL PURCHASE THE BUILDING AT 110 NORTH MAIN STREET?**

We announced the purchase of our new home on May 28, 2021.

**Q. WHY DID CITIZENS DECIDE TO PURCHASE AND RENOVATE THIS BUILDING?**

Throughout our 137-year history, our address has only changed three times. Each time we have moved has been because we have outgrown our current space. 110 North Main has served the needs of our staff and our community well over the years, but now it is time for us to start our next chapter. Our goal with this move is to continue building on our legacy of commitment and service to our community. Logan County has experienced incredible growth over recent years. We felt the timing was right for Citizens Federal to continue growing alongside it.

**Q. HOW IMPORTANT IS IT FOR THE BANK TO BE IN DOWNTOWN BELLEFONTAINE?**

Having our office in downtown Bellefontaine for the entirety of our history is a source of pride for us. We want our customers and community to know that Logan County has always been our home and focus. Nothing about that is going to change with this move.

**Q. WHAT'S THE MOST EXCITING PART OF THIS RENOVATION?**

One part of the renovation our staff is looking forward to is all the windows and the great view of downtown from our new building. Many of our employees are also looking forward to having their own dedicated office space for the first time.

We think an aspect of this renovation that our customers will be excited about is the additional privacy that our new offices will provide. Also, a new ATM will be getting installed in one of our vestibules. We are looking forward to providing an even more convenient ATM location for our community as they enjoy all that downtown Bellefontaine has to offer.

But, we've never forgotten that our roots as a community bank are right here. Stop in and talk to us about great CD rates, a mortgage or business financing.

## QUESTION & ANSWER

### FOX ISLAND INCLUSIVE PLAYGROUND AT INDIAN LAKE

#### ON LOCATION

WITH PROJECT LEAD CYNTHIA DEFIBAUGH

#### Q: WHAT SPARKED THIS IDEA TO CREATE AN INCLUSIVE PLAYGROUND?

I read in an ILDC (Indian Lake Development Corporation) newsletter that the group was discussing building a playground at Fox Island State Beach. Having previously been a lifeguard at Fox Island, I decided that this was a project that I wanted to be involved in. I knew that the Logan County Board of Developmental Disabilities (LCBDD) was working on an all-inclusive playground in Bellefontaine and their goal was to have at least one all-inclusive playground in each community in Logan County. I went to the next ILDC meeting and challenged them to think bigger, and they were quick to put me in charge. We laugh about it now. It was after that meeting that we formed a committee and contacted LCBDD Superintendent Saul Bauer to ask if the Fox Island project could be the next cooperative effort toward their goal. They were delighted and it took off from there!

#### Q: WHY IS IT IMPORTANT FOR FOX ISLAND TO HAVE A NEW PLAY AREA?

Fox Island has always been a diamond in the rough. It needed a little love and attention. I knew of several groups that took children with disabilities annually to Fox Island to swim and play in the sand. Also, there was nothing on this side of the lake for children with disabilities to play on and feel a part of the activities. This playground would allow everyone to engage in play and feel included.

#### Q: WHAT'S THE MOST EXCITING PART OF THIS PROJECT FOR YOU?

For me personally, it was being there each day watching the progress and seeing the anticipation and huge smiles not only on the faces of the children who watched its progress, but on the adults as well! For the other volunteers with ILDC, it was the fact that we were able to meet our financial goals with the project and see it come to fruition.

#### Q: WHEN IS THE PLAYGROUND SCHEDULED TO OPEN?

The playground has been open since November 2021 but our official date of celebration looks to be the first or second Saturday in June 2022.

## MARSHAL SHERMAN RICKETTS PARK IN WEST LIBERTY

### ON LOCATION

WITH WEST LIBERTY MAYOR, JILL McKELVEY

#### Q: WHO IS SHERMAN RICKETTS?

West Liberty Village Marshal Sherman Ricketts received a call at 2:45 am on June 29, 1962, that a suspicious individual was wandering around the village. When the Marshal approached the suspect, the suspect fired at the Marshal and mortally wounded him. While the suspect was fleeing, the Marshal emptied 6 rounds into the suspect and stopped him from getting away even though the Marshal was dying from his wounds.

#### Q: WHY IS THE PARK BEING NAMED AFTER MARSHAL RICKETTS?

Marshal Ricketts was known and loved throughout the village. The Council and I decided to create a park on the west side of town by the bike path and after discussions last summer with Marshal Ricketts' heirs we decided to create a park with lots of amenities for runners, walkers, and bicyclists using the Simon Kenton Bike Path. Our hope is that the park will give anyone a quiet place to reflect.

#### Q: WHAT FEATURES WILL THE PARK HAVE?

This trailhead will have a shelter house with electricity to charge electric bikes and cell phones that was paid for with a grant from AARP written by Linda Vernon from the Logan County Land Trust and is being built by the Ohio Hi-Point

#### Q: WHEN WILL THE PARK BE COMPLETED?

On June 29, 2022 we will rededicate the park and will be having a community event with food trucks and a bicycle helmet giveaway with a fitting by Mary Rutan Hospital staff. We are encouraging kids and their parents to ride on the bicycle path with our bike police officers.

Career Center. We have also partnered with the West Liberty-Salem Environmental Class, Benjamin Logan's Science Club, and the DeGraff Garden Club to create three garden spaces in the park. The Simon Kenton Pathfinders are donating funds for a bicycle fix-it station and the Mary Rutan Foundation provided funding for a Water Bottle Filling Station.
